Raymond Libert and Keith Schaar

This is an index to applictions and naturalizations that are found in Common Pleas Journals, Volumes 2 through 11. The first number given is the volume number. The second number given is the page number in that volume. Names and page numbers from 1831-1854 were transcribed from an old handwritten index found in the Clerk of Courts office in Tuscarawas County. Names and peges for the period 1819-1831 were indexed from the actual records. Please note that Volume 1 is currently missing from the courthouse and was never microfilmed.
